

OCBS

BENOR

OCAB

BENOR

issued on the basis of the certification scheme specified in BRP 279 and TRA 270 & 271 for the BENOR certification of concrete reinforcing steel to the company:

INTERSIG

Geerstraat 125

BE-9200 DENDERMONDE

for the production of

reinforcing steels with high and low ductility

in accordance with

the technical prescriptions PTV 302 & 303

By issuing the certificate, OCBS-OCAB declares that sufficient confidence can be given to the measures taken by the certificate holder for guaranteeing conformity with the prescriptions.

The official list with BENOR products gives the data with regard to the certified product (www.ocab-ocbs.com/usbe/af.pdf). This document is an annex to the certificate and is authenticated by OCBS-OCAB.

Following the issuing of this certificate and as long as it is maintained valid, OCBS-OCAB grants the right to use the BENOR mark to the certificate holder. The proof of delivery of a product under the BENOR mark is given by suitable identification on the product and on the delivery documents. The use of the BENOR mark does not relieve the certificate holder of his responsibilities with regard to the delivered product.

The validity of this certificate can be checked by its presence on the website www.ocab-ocbs.com.
